General Rules and Regulations for Events

The following rules and regulations shall apply to ALL events held in the Newfoundland and Labrador Section of Skate Canada.

Host Sites

The host sites for all events shall be announced at the Annual General Meeting of Skate Canada Newfoundland and Labrador (to be referred to as 'SCNL' throughout this document) or as soon as possible thereafter.

Announcements

SCNL will distribute the event announcements. The announcement shall include: event dates, site (including ice surface measurements), any categories not already listed for the event in technical package, entry deadline date, and name of event chairperson. Announcements for the section level events shall be distributed as follows:

- Sectional Championships: not later than **8 weeks** prior to the date of the first category
- Divisional Championships: not later than **November 19th**
- Provincial Championships: not later than **December 25th**
- Provincial Synchro Championships: not later than **6 weeks** prior to the date of the first category
- Rebecca Pack Memorial Friendship Skate: not later than **6 weeks** prior to the date of the first category
- Elizabeth Swan Memorial Synchro Event: not later than **6 weeks** prior to the date of the first category
- STAR Provincials Event: not later than **6 weeks** prior to the date of the first category.
- Agnes Thistle Invitational Event: not later than **6 weeks** prior to the date of the first category.
- Regional Interclub Events: not later than **6 weeks** prior to the date of the first category.

In addition the Provincial entry fee shall be decided and indicated to the Divisional Host Committees before each Divisional event. The main method of distribution of announcements will be via e-mail and on the Section web site. All clubs should ensure that the Section office has a valid e-mail address for contact on record. If clubs wish to have a hard-copy of any announcement mailed to them they must contact the host committee well in advance of the announcement deadline.

Calculation of results

STAR 1-3 & Intro-Interpretive are Skate to Standard, STAR 4 is Skate to Standard + ranked. Synchro Beginner I & II are Assessed to Standard, Elementary is Assessed to Standard + ranked. All other categories are CPC (at all events).

Composition of Teams

All dance and pair teams must be composed of a male and female. When determining age categories, the age of the older partner is used.

Entry Forms

Designated entry forms shall be used for all qualifying events of SCNL. These forms will be supplied to host committees by the Competitions chair for Skate Canada Newfoundland and Labrador. Event fees will be set on the entry forms. Incorrectly completed entry forms may be rejected and assessed a late penalty of up to double the normal entry fee. Proof of current Skate Canada membership must be submitted with entry (copy of Skate Canada membership card).

Age restriction

Age is considered to be the age of the skater before July 1, preceding the event.

To clarify "before July 1 preceding the event" means that skaters born on July 1st skate as the age they were on June 30th. Thus a skater who turns 10 on July 1st skates as a 9-year old.

Test restriction

Test eligibilities are considered similarly- i.e. tests must be completed prior to the date stated. Test levels refer to complete tests passed unless otherwise specified.

Officials

All officials (judges, technical panel, data specialists) at events held in the NL section will be Skate Canada certified.

Officials Development and Technology Fee

\$8.00 per skater per event (note: a skater competing in more than one category only has to pay the fee once), to be submitted to the Section office by the event host within 30 days of the completion of the event.

Late Entries

LATE ENTRIES WILL NOT be accepted for any events where the Technical Representative is assigned by the Section. It is IMPORTANT that host clubs enforce the deadlines in support of the event officials.

Practice Ice

Once registered for an event, skaters shall use the official practice ice of the event only (if provided), in the same discipline they are registered to compete (ie: if a skater is registered for a Synchro event, they may still practice singles, and vice-versa). Use of ice other than the official practice ice shall result in disqualification. Practice ice will be provided at Sectionals and the SCNL Synchronized Skating Championships; at other events listed here, practice ice is provided subject to the discretion of the host committee.

Scheduling

Scheduling shall be the responsibility of the Technical Representative in consultation with the host committee and the Chief Data Specialist. Each day of an event should not exceed 10 hours whenever possible (not including practice).

Additional Categories

Additional categories may be held at the discretion of the host committee. These categories shall not be considered as qualifying categories for the events operated under the auspices of SCNL.

Helmet Policy

All skaters registered in a CANSkate program, or participating in a CANSkate event or category, MUST wear helmets as required by Skate Canada Newfoundland & Labrador, for all skating activities, including but not limited to competitions, carnivals, and synchro teams (e.g. a skater on a Beginner synchro team who is still registered in the CANSkate program must wear a helmet). Skaters in STARSkate categories must be registered with Skate Canada as STARSkate, or if still registered as CANSkate must wear a helmet as above.

Liability

Skate Canada, its clubs and/or organizers of events waive all responsibility for the damages or injuries suffered by skaters. As a condition of and in consideration for the entry therein, all competitors and their parents or guardians shall be deemed to agree to assume all risks or injury connected with the conduct and management of the officers. Entries shall only be accepted on this condition.

Skate Canada

In the case of disagreement between the rules and eligibilities outlined here, and those stipulated by the national body (Skate Canada), those of Skate Canada shall hold.

Additional information

Important supplemental information regarding technical requirements for events is produced by Skate Canada, and, when available, can be found in the Info Centre section of the Skate Canada website. Links to these documents may also be available on the SCNL web site. It is the responsibility of coaches and skaters to be familiar with

- Technical packages for STARSkate, singles, pairs, dance, adult, STAR 1-10, CANSkate element event
- Well-balanced program criteria and required elements for synchronized skating

The ISU site (<http://www.isu.org>) should be consulted for levels of difficulty under the CPC judging system, and the Special Olympics Canada (SOC) Figure Skating Rules of Competition can be found at <http://www.specialolympics.ca/>.

Test Qualification Deadline

Before October 1 of the competitive year.

Announcements

Announcements for the Sectional Championships shall be distributed not later than 8 weeks prior to the date of the first category.

Byes

The Skate Canada Newfoundland and Labrador Executive Committee may grant byes. Such requests shall be made in writing and received not later than October 20th of the competitive year. Medical byes shall follow the policies of Skate Canada.

Eligibility

Skate Canada's rules for eligibility shall govern those categories, and are described in the association's current rulebook. There shall be no higher test restrictions for Sectional Competitors in all categories, apart from Special Olympic categories. Skate Canada Newfoundland and Labrador's rules for eligibility shall govern the Pre-Juvenile categories.

Awards

In accordance with Skate Canada's current rulebook; single entries have no competition and shall be considered an exhibition skate only

Coaching Accreditation

Refer to the Skate Canada Coach Accreditation Policy: : <https://info.skatecanada.ca/hc/en-ca/articles/215191243-New-Coach-Accreditation-Policy-For-Skate-Canada-Qualifying-Events>

Categories to be Skated

The following categories will be offered in addition to Pre-Novice to Senior Singles, Pairs and Dance (eligibilities for those events are governed by Skate Canada, and their information should be consulted for details).

Competitive Skate

Divisional Championships

The Divisional Championships is the qualifying event for the Provincial Championships. Divisional Championships shall be completed not later than the fourth Sunday in January. Divisional announcements shall be distributed not later than November 19th, with a deadline of December 10th. In addition the Provincial entry fee shall be decided and indicated to the Divisional Host Committees before each Divisional event.

Test Qualifying Deadline

December 3rd of the competitive year

Byes

All STAR 8, STAR 9, STAR 10 & Gold freeskate; Silver and Gold skills; Silver and Gold interpretive; Competitive Skate; Special Olympic and ADULTSkate competitors shall receive a bye through the Divisional Championships. Provincial Championship entry for byed categories shall be made directly to the Provincial host committee before January 15.

Byes may be granted in single entry categories for all Divisional championships. It is the responsibility of the host committee to inform skaters if they are eligible for a bye (in a single entry category) not later than 7 days after the closing date for entries to the Divisional Championships. Skaters then have 7 days from the date of notice, to accept a bye and withdraw without penalty. Additional byes may be granted in extenuating circumstances and must be made in writing with supporting documents to the executive committee of Skate Canada Newfoundland and Labrador.

Eligibility

Skaters who registered for the Sectional Championships in the current year, who are within the test requirements, may enter the STAR 7 or STAR 9 categories, but are ineligible for all other StarSkate categories in the same discipline. (i.e: a skater who competes in Juvenile singles may not enter STAR 8 singles, but could compete in a StarSkate dance category).

Awards

The top three placements in each category shall be awarded a prize. In a category where there are less than three entries, then the number of prizes shall equal the number of entries.

Coaching Accreditation

Regional Coach In Training

Provincial Qualifiers

Women: Labrador Divisionals: Top three placements. Eastern & Western Divisionals: Top 8 placements. In the event that any or all of the qualifying placements do not enter the Provincial Championships then the next placed skater in the category shall be considered eligible. If that skater does not enter, then the next placed skater should be considered eligible and so on. For example, if the 1st place, 3rd place, 4th place and 5th placed skaters decline to enter the Provincial Championships, then the 2nd, 6th and 7th and so on, placed skaters would qualify.

Men/Pair/Dance: All entrants; note that these skaters do not receive automatic byes and entry to Provincials is via the Divisional event.

Skaters in qualifying categories must declare intent with respect to their participation at the Provincial Championships on their Divisional application. If this section on the application is not completed the skater shall be considered to have waived the right to proceed to the Provincial Championships.

Skate Canada Newfoundland & Labrador Synchronized Skating Championships

This event is a non-qualifying event for synchronized skating teams in Newfoundland & Labrador. Qualifying for the National Championships is through the Atlantic Regional Synchronized Skating Championships.

Team composition

Teams may consist of members from different clubs. Clubs may join together to form a Synchronized Skating team if there are not sufficient numbers of skaters from one club to make a team. There are no test requirements for Synchronized Skating team members. A team must represent at least one Skate Canada club and, to enter Synchronized Skating Championships and Events, shall be registered with the Association as required in the Skate Canada Policies and Procedures and the Technical Handbook.

Team registration

Clubs will be required to submit their synchronized team registrations to the Skate Canada National Office by November 1, and a copy to the Section office. Once registered, teams will not be permitted to change their category during the membership year.

Announcements

Announcements shall be distributed not later than 6 weeks prior to the date of the start of the event.

Helmets

Skaters registered with Skate Canada in the CANSkate program must wear approved helmets, irrespective of category skated. Please refer to the helmet policy on page 4.

Judging results

Synchronized Skating Well Balanced Program, Levels of Difficulty and Scale of Values are as defined by Skate Canada and the ISU. Please check the Skate Canada and ISU web sites for updates.

All categories apart from Beginner I and Beginner II skate their program twice (NOTE: Junior and Senior have separate short and free programs). Beginner I & Beginner II are Assessed to Standard, Elementary is Assessed to Standard + ranked. For all other categories, the final result will be the combined scores of the two programs, with the first counting for 1/3 and the second for 2/3 of the score.

Categories to be skated:

STAR 6 Women
STAR 8 Women
STAR 10 Women
GOLD Women
Pre-Juvenile U11 Women
Pre-Juvenile U14 Women
Juvenile U14 Women
Pre-Novice Women
Open Men

Eligibility

Competitors entered in women's STAR & GOLD categories, may not have competed at the 2018 Sectional Championships in a singles category.

Skaters shall represent zones based on their primary residence and/or the location of their school with the following exception; host zone eligibility is defined by residence within the municipality of Deer Lake. Skaters should note that they are only eligible to compete in one sport at the games, and if they qualify in any given sport, they are not permitted to take part in qualifiers for any other sport. Athletes must compete in the sport they first qualify in.

Age Restriction

Age for category entry is considered to be the age of the skater before July 1, 2017. Skaters skate in the lowest age category they are eligible for. There will be no minimum age criterion set down by Skate Canada Newfoundland and Labrador.

Games regulations state that all competitors must be 11 years as of December 31st, 2018, and 18 years or younger on March 10th, 2018.

Test Qualifying

Tests must be completed before December 3, 2017.

Qualifiers

The qualifier for the Pre-Novice category shall be Sectionals.

The qualifier for all other categories shall be Divisionals.

Skaters must compete at the Winter Games in the same category as they compete at Provincials (STAR & Gold) or Sectionals (Competitive).

Byes:

Byes will be granted where there is a single entrant in a zone run off category.

Team Composition:

A team of up to 12 athletes with a support staff of 1 coach and 1 manager will represent each zone. Where there are male skaters on a team at least one of the support staff will be male.

Run offs

Run-offs are NOT required.

If skaters from more than one region are represented in the equivalent Divisional events for Open Men (STAR 6 & Pre-Juvenile), and for Juvenile Women U14 (if competitors from Juvenile Women under 11 years are age eligible), the Divisional event will be run using the Winter Games category definition.

All other categories will use the placement in the Divisional event, based on regions, to determine Winter Games qualifying.

Eastern Divisionals: St. John's, Mount Pearl, Avalon, Eastern and St Pierre regions

Western Divisionals: Western, Central & Host regions

Labrador Divisionals: Labrador region

Additional Entries:

After qualifying, if a zone does not have a full team of 12 entries, additional entries, up to a maximum of 12, may be added to the team by using the following criteria.

- Each zone can have a maximum of 2 entries from the same singles category
- Additional entries will be selected from categories in the following order
 - Pre-Novice Women
 - Juvenile Women
 - Pre-Juvenile Women U14
 - Pre-Juvenile Women U11
 - Gold Women
 - STAR 10 Women
 - STAR 8 Women
 - STAR 6 Women
 - Open Men
 - STAR 5 Women 13 & older
 - STAR 5 Women U13

Medals:

Medals will be awarded to skaters placing first, second and third in a category.

Zones:

Zones shall be per Games regulations, Appendix 1, with the following exception; all skaters representing Terra Nova Tornados shall be considered as part of the Central Zone. A minimum of 3 zones must be represented in the Men's and Dance categories for the category to be skated, for Women's categories the minimum number of zones represented must be 5.
